T7Plus

Simple, convenient, reliable POS terminal

The Hypercom® T7Plus builds on the strong heritage of the Hypercom T7 terminal family. This next generation terminal is for merchants who require a smaller footprint with optimal performance, lowering the overall cost of ownership. The T7Plus accepts all magnetic stripe cards and delivers fast, online transaction authorizations.

Get the next generation of a Hypercom classic:

- ✔ Better design
 - Small footprint
 - Easy-to-read, LCD backlit display
 - Improved keyboard layout
- ✔ Improved printer
 - No paper jams
